Environmental concern

In Sweden, we are proud of our environment, our open landscape, our nature and vast forests, all open and accessible for anyone. We enjoy having green areas directly outside the window and being able to reach untouched landscape in only a couple of minutes.

The organisation of World Cup in Vårgårda collaborates with local and regional councils in projects for preservation of all this. We try to raise our ambitions and increase our activities in this area year by year.

We now ask all of you involved in our World Cup races to join us in our strive for an even better environment.

We appreciate your understanding and cooperation and hope you will enjoy our World Cup races as well as our beautiful landscape for many years on.

Thank you

The organisation of World Cup in Vårgårda
